

## 5.0 SUMMARY AND CONCLUSIONS

The historical architectural survey and determination of eligibility investigations for the Bridge 362 at Chipmans Pond project assessed the individual NRHP eligibility of the nine resources that fall within the project APE. A summary of the analysis is presented in Table 3, below.

**TABLE 3.**  
**NRHP ASSESSMENT OF THE HISTORIC ARCHITECTURAL RESOURCES**  
**IN THE BRIDGE 362 AT CHIPMANS POND APE**

<b>CRS NUMBER</b>	<b>RESOURCE NAME</b>	<b>DESCRIPTION</b>	<b>NRHP STATUS</b>
S-5878	Chipman and Lowe Lot #3	Ca. 1952, 2-story, 3-bay wide, brick-faced Cape Cod style house	Not Eligible
S-5880	Broom Store/Rental House	1½--story, 3-bay wide, frame Cape Cod style house moved to its current location in the mid-1950s; formerly a broom store or factory	Not Eligible
S-11418	Carlton Lowe House	Ca. 1950, U-shaped, 1-story house damaged by fire in the 1980s and extensively remodeled on the interior and exterior	Not Eligible
S-11419	Lowe's Lakeview Campground	Portion of a campground developed in the late 1940s and early 1950s; includes 7 cabins and a toilet facility	Not Eligible
S-11420	Chipman Family Cemetery	Small family burial plot of approximately 20 head and foot stones surrounded by a chain link fence	Not Eligible
S-400	Chipmans Mill	Resources associated with a gristmill built in 1884, including the mill foundation, spillway, overflow, bridge, and pond	Eligible
S-11421	Bridge 362 Over Chipmans Pond	Ca. 1934, 2-span, reinforced concrete slab bridge that carried the road over the millrace and overflow	Not Eligible
S-188	Old Christ Church	Ca. 1771, timber frame Georgian style church	Listed
S-5873	Chipman Potato House/ Joseph Chipman Farmstead	Ca. 1913, 2-story, 3-bay frame potato house, an altered farmhouse (ca. 1880), garage, carriage barn, and 1-story office	Listed/ Not Eligible

The APE was also assessed for historic district potential. The conclusion was that no historic district was present due to a lack of cohesion.
